

TORR APARTMENTS

Independent living in the heart of a community

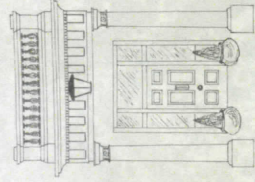

Our newly renovated retirement apartments are situated just a short walk from Torr Home and enjoy the same glorious grounds and gardens. Our onsite warden is available to offer reassurance and assistance when necessary whilst leaving you or a loved one to carry on your daily life with independence.

Become part of a community where we have your best interests at heart and be at ease knowing that Torr retirement apartments can offer you a comfortable new home when you are ready for that next stage in care.

We aim to offer a solution to all your care needs as we also offer residential care in the beautiful Torr Home and if required our specialist built dementia home, the Glentor Centre, which is also situated on the extensive, well kept grounds.
